FULL EVENT DESCRIPTION:

The Africa Money & DeFi Summit West Africa is taking place live on September 24th & 25th 2025, will connect industry leaders from the African fintech and crypto industries with international players.

Network and do business with leading companies in decentralized finance (DeFi), payments, ReFi, crypto, Web3, digital lending, FX, digital identity, cybersecurity, insurtech, mobile money, investors, start-ups, regulators, and industry stakeholders.

The leading African fintech and crypto ecosystem event will provide unrivaled insight, networking, and business opportunities for anyone interested connecting to the African fintech and crypto ecosystem.

With 500+ delegates, the two-day Summit will explore the hot topics and latest trends while connecting industry leaders, start-ups, and investors.

Registration is now open: <https://africamoneydefisummit.com>
